##### Letter

Hi John

Thanks for your letter. I love music too and I download a lot of tracks from the internet. I like finding out about different kinds of music and I listen to rock, R'n'B and dance music. At the moment I enjoy listening to The Black Eyed Peas. They're on my iPod all the time! I've seen them in concert as well. It was a great experience and I loved it because they really entertained the crowd.

By the way, I play the guitar too but I play bass guitar. I've taught myself how to play and this year I'll join a band because I think I can play well enough now.

I'll write again soon

Milo

##### Story

The day I woke up late

I woke up and looked at my clock. I couldn't believe the time. It was 9.30 am. I had forgotten to do my alarm and now I was late. This was a day when I really wanted to wake up early because I was going on holiday with my best friend and her family. We were going to America for two weeks and they were going to pick me up at 9.45 am. I only had 15 minutes to get dressed, pack my suitcase and make sure I had everything I needed! Then my mum walked into my bedroom. 'Don't worry, I've packed your case,' she said. Then I realised how lucky I was to have such a great mum. I gave her a hug and decided I'd get her a really lovely present from America.

Dear Charlie

I'm really happy that your sister won a singing competition – well done! I've only ever entered a painting competition. It was at school and we had to paint a picture of someone in our family. I painted my little brother playing with his toys and I got 2<sup>nd</sup> prize! The prize was a big box full of different paints.

I could never be in a singing competition like your sister was. I'd hate it - I can't sing very well! In fact I wouldn't enter any competition where I had to perform because I'm too shy. Would you like to be in a singing competition?

Write to me again soon.

Love

##### Story

*The bus stopped and I quickly jumped on it.* It was the bus to the city skatepark and I was going to meet my friends there. When I arrived, none of my friends were there. Had they forgotten? I called one friend but he didn't answer. Then I called another friend but he didn't answer either.

I decided to go home but then there was a noise beside me and someone jumped out from behind one of the bushes! It was my friend, Jack. He shouted 'Happy birthday!' and started laughing. Then all my other friends appeared and gave me a new skateboard for my birthday. We had a great day at the park after that.

Dear Sam

Thanks for your letter with news about Australia. In my country when the weather is sunny we have picnics in the country and play ball games like football with our friends. Sometimes we have a barbecue on the beach when the sun has gone down and stay on the beach until it's really late.

My favourite weather is the snow when everything is white! There has only been snow twice in my town but we have lots of photos of the snowman we built. We played outside all day and didn't go to school! I hope to hear from you soon.

Best wishes

##### Story

My Great Adventure

When I was nine I went skiing with my mum and dad in the mountains in Italy. We went to a place called Limone.

On day two we went on a red ski slope. It was my first time because I usually went on blue ones which are easy, and the slope was difficult so I was skiing very fast and falling over. I was tired and a bit worried. Then my dad saw a small bar and we stopped for a hot drink. After I felt happier and the last part of the slope was easier.

In the evening we had a pizza and I said to my mum and dad 'Today was a great adventure but tomorrow can we go on the blue slopes?'

Dear Sam

It was good to get your letter. Moving to a new town can be hard, especially if you don't know anyone there. It's really important to make new friends. You will make friends at your new school but why don't you join some clubs too? That would be a good way to meet more people. I know that you like sports so how about joining a sports club?

The good thing about joining a club is that you and the people you meet will have an interest in common. You'll quickly become friends because you'll be able to share your interest in sport.

Write soon and tell me how you are. I hope you make new friends soon.

*I quickly started to open the large box.* All my family were standing around the table watching me. It was delivered earlier that morning but there was no note on it and no message. It wasn't my birthday so it wasn't a birthday present – what could it be?

It took ages to open the box, but inside was another box! I opened the second box and inside that was another! Finally, after opening 10 boxes, there was an envelope. I opened that and inside were some tickets and a note. The note said, 'Here are two tickets for the football cup final, one for you and one for me. Love Dad.'
